

PRICE LIST & VISIT FEES

Private mobile dental care delivered at home, at work and in care homes. Guide prices, 2026.

How our pricing works

We bring a complete, sterilised portable surgery to your door. Treatment fees are the same wherever we see you. Care home visits are arranged as a bespoke package based on resident numbers and frequency. A premium, unhurried service in your own surroundings.

1. EXAMINATIONS & HYGIENE

TREATMENT		FEE
Examination / check-up	Medical history, full exam, treatment plan	£130
Scale & polish / hygiene	Clean, stain removal, advice	£120
Prescription	e.g. antibiotics, issued as clinically needed	£35

2. FILLINGS & EXTRACTIONS

Composite (white) filling	From, by size & surfaces involved	from £320
Large / multi-surface filling	Extensive restoration	£400
Extraction	Straightforward removal	£390

3. DENTURES

Full denture, per arch	Bespoke, impression to fit	from £1,500
Partial denture (acrylic)	Replaces one or more teeth	from £1,300
Partial denture (cobalt-chrome)	Slimmer, stronger metal frame	from £1,600
Denture relines	Refit to a changed gum shape	£350
Denture repair	Cracks, breaks	£250
Add a tooth / clasp	To an existing denture	£150

4. CARE HOME PARTNERSHIPS

Regular scheduled visits, resident oral health assessments, staff training and CQC-friendly record keeping, priced bespoke per home based on resident numbers and visit frequency. Block visits keep the per-resident cost low while delivering premium, unhurried care. **Ask us for a tailored quote.**

Notes. All prices are guides and confirmed in writing before any treatment begins, subject to a clinical assessment. Most dental treatment is exempt from VAT as healthcare; purely cosmetic work may be subject to VAT. Payment on the day by card or bank transfer. Finance is not currently offered. **DentGo Mobile Dental** • Peterborough & Cambridgeshire • www.dentgo.uk • GDC registered. The dentist that comes to you.
